HOPE'S HOME INCORPORATED
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED MARCH 31, 2011

1. Status of the Organization

Hope's Home Incorporated was incorporated pursuant to the provisions of *The Non-profit Corporation's Act, 1995* of Saskatchewan on March 31, 2004. Hope's Home was established to operate a home to provide exceptional care for children with complex medical needs through partnerships with provincial agencies, organizations and the community. Hope's Home Incorporated is a federally registered charitable organization.

Currently, the net income of organizations of this nature are not subject to taxation under the provisions of the Canadian *Income Tax Act*. As a result these financial statements do not include a provision for current or future income taxes.

2. Significant Accounting Policies

These financial statements have been prepared in accordance with Canadian generally accepted accounting principles that are considered appropriate for Non-Profit Organizations. The following items are considered significant:

Revenue Recognition

Hope's Home accounts for revenue transactions using the accrual method of accounting. All revenue is recognized as income in the period within which Hope's Home is entitled to receive the revenue.

Fund Accounting

Hope's Home accounts for its operations using the principals of fund accounting.

Hope's Home - The organization uses this fund to account for the revenue, expenses, assets and net assets associated with the day to day operations of Hope's Home. Charitable donation receipts are issued for contributions to this fund.

Friends of Hope's Home - The organization has voluntarily de-registered this fund since it is no longer required.

Capital Assets

Capital assets are stated at cost less accumulated amortization. Amortization is calculated using the straight line method designed to charge the cost of the assets to income over the expected life of the related asset.

Use of Estimates

The preparation of financial statements in accordance with generally accepted accounting principles requires management to make estimates and assumptions respecting assets, liabilities, revenues and expenses. These estimates and assumptions affect the reported amounts of assets and liabilities at the date of the financial statements and the revenue and expenses during the reporting period. By their nature, these estimates are subject to measurement uncertainty and the effect on the financial statements of changes in such estimates in future periods could be significant.

GST Recoverable

As a qualifying non-profit organization and a charitable organization, Hope's Home is entitled to receive a rebate equivalent to 50% of the GST it pays for supplies and services. The organization accounts for this rebate as revenue in the period in which the qualifying expenses are made.

3. Capital Assets

During the year Hope's Home completed the acquisition of 350 College Avenue, Regina. The building is the sole location of daycare and daytime respite services provided. Renovations to the facility have been completed to accommodate a larger number of children. Capital assets consists of the following balances:
